Board of Intermediate Education, Telangana

CGPA: 9.89

ZPHS Tadkapally, Siddipet

April 2018

Board of Secondary Education, Telangana

CGPA: 9.79

Skills

Programming Languages: C, Java, JavaScript

Frameworks: React.js

Tools/Platforms: Git, GitHub

Databases: MySQL

Web Technologies: HTML, CSS, Spring Boot

Operating Systems: Linux, Windows

Soft Skills: Time management, Communication, Teamwork

Technical Skills: SDLC, DSA, Agile methodology, Responsive web design

Projects

Life Line - Health Assistance Web Application

Java, Spring Boot, MySQL

- Developed a health assistance web application to manage health records, order medicines, and book services.
- Designed features like hospital bed booking, doctor search, and medicine tracking.
- Built an interactive interface with security protocols for data privacy.

Attendance Management System

Java, Spring Boot, MySQL

- Developed a system to track and record attendance for students and participants.
- Implemented student registration, attendance recording, and report generation.
- Created an intuitive interface with Java Swing for cross-device accessibility.

Leadership

Admin for "Student Result Analysis"

Python, Django, HTML, CSS, JavaScript

- Built a system for result retrieval and analysis with a user-friendly design.
- Explored future enhancements like authentication and performance optimization.
- Led the project to successful implementation.
